(c) The wages are paid by the licensed contractors to their respective workers as stipulated in the Minimum Wages Act.

(d) Various amenities like rest rooms, canteen facilities, toilets etc., provided at the plants are being availed of by the contract workers also.

Gas agencies in Darbhanga

8034. SHRI ANANT RAM JAISWAL: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) what is the total number of Gas agencies functioning at present in Darbhanga, Bihar;

(b) whether the number of gas agencies is negligible in proportion to the population; if so, what are the reasons therefor;

(c) whether Government are contemplating to increase the number of gas agencies there;

(d) if so, what are the details thereof; and

(e) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPTAIN SATISH SHARMA): (a) As on 1-4-1995, two LPG distributorships were functioning in Darbhanga, Bihar.

(b) to (d) In order to meet the growing demand, Oil Marketing Companies have advertised three new LPG distributorships in Darbhanga.

(e) Does not arise.

Demand and supply of gas connections

8035. SHRI IQBAL SINGH: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) what efforts Government propose to make to ensure smooth supply of LPG in the country, particularly in Punjab; and

(b) the extent of demand and the supply of gas connections in the country during the last two years, State-wise?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPTAIN SATISH SHARMA): (a) The demand of existing consumers of LPG in the country including in the State of Punjab, who are enrolled with the distributors of the Public Sector Oil Companies is by and large being met in full. Temporary backlogs that may arise are cleared by augmenting LPG supplies through operation of bottling plants during extended hours and on holidays and by arranging supplies from bottling plants in adjoining areas.

(b) Allotment of new gas connections is not made on State-wise basis. New LPG connections are released to wait-listed applicants according to serial order of registration, depending on new customer enrolment allotted to a distributor, based on slack available with each distributor waiting list and product availability. A statement showing the number of connections released during the last two years is annexed.
